#### Introduction

How to use these standing orders:

Standing orders are the written rules of the Town Council. They are used to confirm the Town Council's internal organisational, administrative and procurement procedures and procedural matters for meetings. They are not the same as the policies of the Town Council but they refer to them. A local council must have standing orders for the procurement of contracts.

Meetings of Full Council, Councillors and the Proper Officer and Responsible Finance Officer are subject to many statutory requirements. Therefore, the Town Council should have standing orders to confirm those statutory requirements. The Town Council has standing orders to control the number, place, quorum, notice and other procedures for committee and sub-committee meetings because these are subject to fewer statutory requirements.

Standing orders that are in **bold** type contain legal and statutory requirements. It is recommended that Saltash Town Council adopt them without changing them or their meaning. Standing orders not in bold are there to help the Town Council operate effectively but do not contain statutory requirements so they have been designed to suit the town council's needs.

The standing orders do not include the Town Council's Financial Regulations but they are attached as Appendix 5. Financial regulations are standing orders to regulate and control the financial affairs and accounting procedures of a local council. The financial regulations, as opposed to the standing orders of a town council, include most of the requirements relevant to the Responsible Finance Officer.

Standing orders, financial regulations and town council policies are issued to all Councillors and these standing orders should be used in conjunction with the council's financial regulations, code of conduct and all policies and procedures duly adopted by the Town Council.

#### 1. A Guide to Awarding Dispensations

# CORNWALL ASSOCIATION OF LOCAL COUNCILS

UNIT 1/1A, 1 RIVERSIDE HOUSE, HERON WAY, NEWHAM, TRURO, CORNWALL, TR1 2XN

Serving the parish and town councils of Cornwall

#### A GUIDE TO AWARDING DISPENSATIONS 2012

#### Introduction

Parish Councils are now responsible for determining requests for a dispensation by a parish councillor under Section 33 of Localism Act 2011.

This is because they are a

"relevant authority" under section 27(6) (d) of the Act.

This guide explains:-

- a. the purpose and effect of dispensations
- b. the procedure for requesting dispensations
- c. the criteria which are applied in determining dispensation requests
- d. the terms of dispensations

#### a. Purpose and effect of Dispensations

In certain circumstances Councillors may be granted a dispensation which enables them to take part in Council business where this would otherwise be prohibited because they have a Disclosable or Non Registerable Pecuniary Interest. Provided Councillors act within the terms of their dispensation there is deemed to be no breach of the Code of Conduct or the law.

Section 31(4) of the Localism Act 2011 states that dispensations may allow the Councillor:

- a. to participate, or participate further, in any discussion of the matter at the meeting(s); and/or
- b. to participate in any vote, or further vote, taken on the matter at the meeting(s).

If a dispensation is granted, the Councillor may remain in the room where the meeting considering the business is being held and if the dispensation allows may also vote.

Please note: If a parish councillor participates in a meeting where they have a Disclosable Pecuniary Interest and they do not have a dispensation, they may be committing a criminal offence under s34 Localism Act 2011.

#### b. Process for making requests

Any Councillor who wishes to apply for a dispensation must fully complete a Dispensation Request form and submit it to the Proper Officer of the council (i.e., the Clerk) as soon as possible before the meeting at which the dispensation is required.

Applications may also be made at the parish council meeting itself (if parish councils have a standing item on the agenda to deal with dispensation requests) and the nature of the interest has only become apparent to a councillor at the meeting itself.

#### c. Consideration by the Parish Council

The Parish Council can either delegate to the parish clerk the authority to grant dispensations or reserve such decisions for the full parish council.

In either case, the decision must be based on one or more of the following criteria:

- a. so many members of the decision-making body have Non Disclosable or Non Registerable Pecuniary Interests that it would impede the transaction of the business (i.e. the meeting would be inquorate); or
- b. the authority considers that the dispensation is in the interests of persons living in the authority's area; or
- c. it is otherwise appropriate to grant a dispensation.

The parish clerk or parish council should formally notify the Councillor and the Monitoring Officer of its decision and reasons in writing at the earliest opportunity and in any event within 5 working days of the decision. A copy of any dispensation should be held with the Member's Register of Interests.

#### d. Delegation to the Clerk

If the parish council decides to delegate this role to the parish clerk then it will need to make a formal resolution to this effect, on the lines of:

"RESOLVE that the Council delegates the power to grant dispensations to the Clerk. The power rests with the relevant authority under section 33(1) of the Localism Act 2011 and the basis is set out under section 33(2).

#### e. Criteria for Determination of Requests

In reaching a decision on a request for a dispensation the parish council or the parish clerk (as appropriate) will take into account:

- a. the nature of the Councillor's prejudicial interest
- b. the need to maintain public confidence in the conduct of the Council's business
- c. the possible outcome of the proposed vote
- d. the need for efficient and effective conduct of the Council's business
- e. any other relevant circumstances

#### f. Terms of Dispensations

Dispensations may be granted:

- for one or more meetings of the Council; or
- for a named period not exceeding 4 years (normally the annual meeting after the next elections)

#### g. Disclosure of Decision

Any Councillor who has been granted a dispensation must declare the nature and existence of the dispensation before the commencement of any business to which it relates.

A copy of the dispensation will be kept with the Register of Councillors' Interests.

2. Code of Conduct for Members

#### **Cornwall Council**

# Code of Conduct for Members and Co-opted Members of Local Councils

#### General principles of public life

The Localism Act 2011 requires the Council to adopt a Code of Conduct for Members that is consistent with the following principles:

**Selflessness** – Members should serve only the public interest and should never improperly confer an advantage or disadvantage on any person.

**Honesty and integrity** – Members should not place themselves in situations where their honesty and integrity may be questioned. The public nature of a Member's role means the distinction between acting in your official capacity and your private life may become blurred and a Member's honesty and integrity may therefore be questioned.

As a result, a Member must ensure that, as far as possible, there is clear separation between what they do in their private life and in their capacity as a Member. This is especially the case when a Member's activity in their private life relates to the functions of the Council and/or their corporate responsibilities as a Member such that a reasonable member of the public may perceive that the conduct comes within the scope of this Code of Conduct.

**Objectivity** – Members should make decisions on merit, including when making appointments, awarding contracts, or recommending individuals for rewards or benefits.

**Accountability** – Members should be accountable to the public for their actions and the manner in which they carry out their responsibilities and should co-operate fully and honestly with any scrutiny appropriate to their particular office.

**Openness** – Members should be as open as possible about their actions and those of their authority and should be prepared to give reasons for those actions.

**Leadership** – Members should promote and support these principles by leadership and, by example, and should act in a way that secures or preserves public confidence.

Cornwall Council also expects its Members to observe the following principles:

**Duty to uphold the law** – Members should uphold the law and, on all occasions, act in accordance with the trust that the public is entitled to place in them.

**Personal judgement** – Members may take account of the views of others, including their political groups, but should reach their own conclusions on the issues before them and act in accordance with those conclusions.

Respect for others – Members should promote equality by not discriminating unlawfully against any person, and by treating people with respect, regardless of their race, age, religion, gender, sexual orientation or disability. They should respect the impartiality and integrity of the authority's statutory officers and its other employees.

**Stewardship** – Members should do whatever they are able to do to ensure that their authorities use their resources prudently, and in accordance with the law.

Whilst these overriding principles are not formally part of the Code of Conduct, they underpin the purpose and provisions of the Code of Conduct and are principles in accordance with which Members should conduct themselves.

#### Introduction and Interpretation

- This Code of Conduct has been adopted by Cornwall Council to support its
  duty to promote and maintain high standards of conduct by Members of the
  Council as required by the Localism Act 2011. The Standards Committee
  assumes ownership of the Code on behalf of the Council and also monitors
  the operation of the Code in conjunction with the Monitoring Officer.

"dispensation" means a dispensation granted by the Standards Committee of the Council or other appropriate person or body which relieves a Member from one or more of the restrictions set out in sub-paragraphs 3(5)(i), 3(5)(ii) and 3(5)(iii) of Part 3 of this Code to the extent specified in the dispensation

"interest" means any disclosable pecuniary interest or any disclosable nonregisterable interest where the context permits

"meeting" means any meeting of the Council, the Cabinet and any of the Council's or the Cabinet's committees, sub-committees, joint committees, joint sub-committees, area committees or working groups

"non-registerable interest" mean an interest as defined in Part 5B of this Code as found on page 13 of this Code

"**register**" means the register of disclosable pecuniary interests maintained by the Monitoring Officer of the Council

"sensitive interest" means an interest that a Member has (whether or not a disclosable pecuniary interest) in relation to which the Member and the

Monitoring Officer consider that disclosure of the details of that interest could lead to the Member, or a person connected with the Member, being subject to violence or intimidation

"trade union" means a trade union within the meaning of the Trade Union and Labour Relations (Consolidation) Act 1992

Depending on the type of complaint received the Town Clerk may delegate your complaint to a member of the Town Council Management Team to try to resolve the matter immediately, in line with the Code of Practice for Handling Complaints.

If you do not wish to report your complaint to the Town Clerk, you can make your complaint directly to the Chairman of the Town Council who, with a Member of the Town Council (as appropriate to the complaint), will try to resolve your complaint within 10 working days.

If this is not possible, the Chairman of the Town Council together with the appointed Member will report it to the Town Council or appropriate Town Council Committee, subject to the complaint acting in accordance with the legal powers of the Town Council – Town Clerk to advice accordingly.

The Town Clerk or the Chairman of the Town Council with a member of the Town Council (as appropriate to the complaint) will investigate the complaint, obtaining further information as necessary from you and or from Town Council employees, Councillors of the Town Council or any other relevant person(s).

The Town Clerk or the Chairman of the Town Council will notify you within 20 working days of the outcome of your complaint and of what actions (if any) the Town Council proposes to take as a result of your complaint. In exceptional cases, the 20 working days timescale may have to be extended. If it is, you will be kept informed.

If you are dissatisfied with the response to your complaint, you may ask for your complaint to be referred to the Town Council. You will be notified in writing of the final decision of the review of your original complaint.

# 1.2. Unreasonable Customer Behaviour and Persistent Complaints Policy

#### 1. Purpose of the policy

The aim of this policy is to help customers and staff to understand how Saltash Town Council manages unreasonably persistent and unreasonable behaviour by customers. It gives clear guidance as to the definition of unreasonable behaviour and explains what actions staff should take when presented with such behaviour or unreasonable requests. This Policy has been based on guidance issued by the Local Government and Social Care Ombudsman and the Information Commissioner's Office (ICO) and relates to unreasonably persistent written and verbal communication with the Town Council. This policy is not a replacement for the Zero Tolerance Policy.

#### 2. Summary

Dealing with correspondence from customers, a complaint or information requests is usually a straightforward process. However, in a minority of cases, people pursue correspondence in a way that can impede the investigation of their complaint or can have significant resource implications for the Town Council. This policy has been formulated to deal with the small number of customers who make it necessary for special arrangements to be made. It should be noted that there are differences between Freedom of Information (FOI) and non-FOI related cases although the general principles below apply to both instances.

FOI references also apply to Environmental Information Regulation (EIR) requests which may relate to the environment, land or property. These will be dealt with under the guidance issued by the ICO.

Requests for personal information may fall under the UK General Data Protection Regulation (UK GDPR). These will be dealt with under guidance issued by the ICO.

We aim to deal with any correspondence or complaints in a way that is open, fair and transparent. Complaints and requests for information will be dealt with impartially and proportionately. We have developed this policy so that people who complain

and the staff who manage those complaints understand what to do if people start to behave unreasonably.

IT SHOULD BE NOTED – This policy only deals with the conduct of the customer, not the substance of the complaint or concerns raised. The adopted procedures relating to the processing of complaints should be followed regardless of whether this policy is engaged, unless it is considered there are reasons for not doing so. If this is the case the customer should be advised of this at the earliest opportunity and if appropriate provided with an alternative route where possible to remedy their complaint to remedy their complaint where possible.

#### 3. Background

We do not normally limit the contact people have with us. Whether they are complaining, making a request for service, an information request or seeking help and guidance, we are committed to dealing with all requests fairly and impartially and to providing a high quality of service. We are keen to resolve any dispute and/or complaint as early as possible.

Occasionally, the behaviour of some customers can make it very difficult for us to deal with their concerns. In a small number of cases the actions of some customers become unacceptable because they involve abuse of processes, or violence and aggression to staff or other people, including Town Councillors. When this happens, we have a responsibility to our staff and Councillors to take appropriate steps to limit the customers contact with the Town Council. On other occasions we have to consider whether a customer's actions are having an impact on our ability to do our work and to provide a service to others. Such actions can occur while either the complaint is being investigated, or once we have completed the investigation.

We understand that people sometimes feel frustrated about matters, but we will not tolerate behaviour which we deem to be unacceptable, threatening, abusive or unreasonably persistent towards staff or Councillors or imposes such a burden on the Town Council that is an unreasonable drain on our resources.

#### 4. Scope

We define unreasonably persistent and unreasonable customers (referred to as Vexatious or Manifestly Unreasonable under FOI/EIR) and Manifestly Unfounded

under UK GDPR, as those customers, who because of the frequency or nature of their contacts with us hinder our consideration of their or other people's issues or complaints.

These are generally covered under two key areas:

- customers who feel that the Town Council has not dealt with their issue,
   complaint or information request properly and are not prepared to leave it
   there; and
- customers who may have a justified dispute, complaint, information request or
  grievance, but these are either being pursued in inappropriate ways, or
  customers may be intent on pursuing the issue which appears to have no
  substance, or which may have already been investigated and determined.
  Their contacts with the Town Council may be amicable but still place very
  heavy demands on employee time, or they may be very emotionally charged
  and distressing for all involved.

Sometimes a situation between the Town Council and a customer can escalate and the behaviour moves from being unreasonable and unreasonably persistent to behaviour which is totally unacceptable.

Any decision resulting from the implication of the policy normally applies to the nature of the dispute, complaint or subject matter and not to the customer themselves. However, it is very likely that the customer's previous behaviour will have some bearing on how to proceed with unrelated future correspondence or contact with the Town Council, particularly where there has been an element of extreme behaviour or verbal abuse.

#### 5. Unreasonable Complainant Conduct

**We will not** tolerate racist, sexist, homophobic or other discriminatory language, or offensive, threatening, aggressive or violent behaviour towards our staff or Councillors.

If you use such language or behaviour, we will ask you to stop doing so in order to protect the wellbeing of our staff or Councillors. In exceptional circumstances we may immediately restrict your access to our services without prior warning. We will then write to you and explain the action we have taken.

If your use of language is because of a medical condition, we will discuss with you any reasonable adjustments we need to make to how we work with you. However, some language and behaviour is always unacceptable and we will always draw your attention to this and take appropriate action.

Where your behaviour is so extreme that it threatens the immediate safety and welfare of our staff we may report the matter to the police or consider taking legal action. In such cases, we may not give you prior warning.

#### 6. Examples of unreasonable behaviour/actions?

The following is a list of some actions and behaviours which may be deemed as unreasonable, unreasonably persistent, (or vexatious/manifestly unreasonable under FOI/EIR). This list is by no means exhaustive and is designed to give an indication of the type of behaviour that is considered to be unreasonably persistent. For further advice, please contact the Town Clerk.

- Refusing to specify the grounds of a dispute and/or complaint, despite offers
  of assistance from Town Council employees;
- Refusing to co-operate with the complaints investigation process (Complaint Handling Procedure) while still wishing their complaint to be resolved;
- Refusing to accept that certain issues are not within the scope of the Town
  Council's complaints procedure despite having been provided with information
  about the scope of the Complaint Handling Procedure;
- Insisting on the dispute and/or complaint being dealt with in ways which are incompatible with the Town Council's adopted complaints procedure (Complaint Handling Procedure) or with good practice;
- Making unjustified complaints about employees who are trying to deal with the issues, and seeking to have them replaced or harbouring personal grudges;
- · Changing the basis of the complaint as the investigation proceeds;
- Denying or changing statements made at an earlier stage;

- Introducing trivial or irrelevant new information at a later stage;
- Raising numerous, detailed and unimportant questions and insisting they are all fully answered;
- Covertly recording meetings and conversations without the prior knowledge and consent of other persons involved;
- · Submitting falsified documents from themselves or others;
- Adopting a 'scattergun' approach: pursuing parallel disputes and/or complaint(s) on the same issue with a variety of officers, Members, departments or services;
- Making unnecessarily excessive demands on the time and resources of employees whilst a dispute and/or complaint is being looked into. Making excessive telephone calls or sending emails to numerous Town Council officers or Members, writing lengthy complex letters every few days and expecting an immediate response;
- Submitting repeat complaints or information requests (after the complaints/FOI process has been completed) essentially about the same issue(s), with minor additions/variations which the customer insists make these a 'new' dispute and/or complaint;
- · Being abusive or using aggressive language;
- Rejecting attempts by the Town Council to assist and advise and showing no willingness to engage with Town Council officers;
- Explicitly stating that it is their intention to cause disruption to the Town Council;
- Refusing to accept the decision; repeatedly arguing points with no new evidence;
- Using other family members, associates or membership of a group or body to attempt to re-open a complaint already pursued by a complainant or to try to further requests or complaints already pursued; or

- Frequently using public questions at a meeting of the Town Council or a Committee to pursue a complaint or information request(s):
- Combinations of some or all of the above or other actions that are judged to be unreasonable.

The following sections set out the procedures in relation to non-FOI and FOI cases

#### For non-FOI related cases (sections 7 – 10)

The following sections cover non-FOI related issues such as complaints or wider Town Council contact/disputes.

#### 7. What actions can be taken to stop or limit the behaviour?

The actions we take will depend upon the nature and extent of the behaviour(s). Any action taken should be appropriate and proportionate to the nature and frequency of the customer's contacts with the Town Council. If their persistence adversely affects the Town Council's ability to do its work, is disproportionately resource intensive and/or adversely affects the Town Council's ability to provide a service to another, the Town Council may need to address their behaviour.

When an officer reports a customer demonstrating unreasonable behaviour, the Town Clerk, in conjunction with the Chairman and Vice- Chairman of the Policy and Finance Committee and taking advice from the Monitoring Officer, will review the case within seven working days. A letter may be sent to the customer explaining that their conduct is becoming a concern. The letter will request that the behaviour exhibited is moderated and will suggest, where appropriate, who the customer should contact within the Town Council over their concerns. The letter will also advise what further actions may be taken if the request is ignored and a copy of this policy included. The customer will be asked to acknowledge the letter within seven working days.

Where the customer acknowledges the initial warning letter, the Town Clerk or their nominated representative will monitor the situation to ensure the behaviour has been moderated.

If the customer does not acknowledge the letter within seven working days there are two further stages which must be followed for a customer to be made unreasonably persistent or their unreasonable behaviour recognised as such. The Town Council may choose to appoint an external body to act on their behalf to provide this service.

#### Stage One (Formal prior warning)

If customer ignores the initial letter and is deemed to be unreasonably persistent or demonstrating unreasonable behaviour, the Town Clerk or their nominated representative will issue a formal prior warning letter, including the following points:

- An explanation of why the customer's behaviour is deemed unacceptable;
- An offer of a meeting, if deemed appropriate by the Town Council, with an
  officer from the Town Council or their nominated representative to try and
  resolve the dispute / complaint / issue and explain to the customer why their
  behaviour is unacceptable;
- · Advising of a single point of contact for any further correspondence;
- A statement of future intent to apply restrictive action to the customer's contact should their behaviour continue;
- Referencing and including a copy of the Unreasonable Customer Behaviour and Persistent Complaints policy.

Any arrangements for limiting a customer's contact must take account of the customer's individual circumstances however, such actions may include blocking a customer's email address denying the customer the ability to email the Town Council, officers and Members and/or refusing to take telephone calls from the customer.

Should such action be necessary the customer's name will be added to the Town Councils register as having been sent a formal prior warning letter and a report will be submitted to the next available meeting of the Policy and Finance Committee or the next Full Town Council meeting if earlier and the Town Clerk feels the matter is of sufficient urgency. In either case the report will be received in confidential part two of the meeting.

#### Stage Two (Full implementation of the policy)

- Full implementation of the policy will be undertaken by the Town Clerk, or their nominated representative, in liaison with the Policy and Finance Committee;
- Before the policy can be fully implemented, the Town Clerk, or their nominated representative, must be satisfied that the customer is behaving in an unreasonable or persistent manner (as per the policy), that the complaint / issue / dispute has been dealt with properly and in accordance with the Complaint Handling Procedure and stage 1, a formal prior warning letter has been sent to the customer as outlined above;
- Once satisfied, the Town Clerk, or their nominated representative will take a report (factual and unbiased) to the Policy and Finance Committee detailing a history of the dispute / complaint, the reasons why the customer's behaviour is felt to be unreasonable or persistently unreasonable, a log of contact with the customer (to include dates, times and nature of contact) and any other related information which is of relevance. The role of the Policy and Finance Committee is to consider if the customers contact with the Town Council is unreasonably persistent, it will not examine the complaint overall.
- Once completed, the report and recommendations from the Policy and Finance Committee will be passed to the Town Clerk who will check the report prior to it being submitted to the next available meeting of the Town Council for consideration;
- If the Town Council takes the decision to make the customer unreasonably
  persistent and apply restricted access, the Town Clerk or their nominated
  representative will write to the customer with a copy of the Unreasonable
  Customer Behaviour and Persistent Complaints Policy explaining:
  - o why the decision has been taken;
  - o what it means for their contacts with the Town Council:
  - o how long any restrictions will last; and
  - what the customer can do to have the decision reviewed.

69

DRAFT 03/2025

- Should a customer who has been declared unreasonably persistent raise new issues or complaints, these will be reviewed on their own merits and consideration given to any restrictions on the customer which have previously been applied before the new issues are processed.
- The customer will be added to the Town Council's register as being declared by the Town Council as a persistent complainant, also ensuring relevant officers/Councillors are made aware.

#### 8. What happens if a customer continues to contact the Town Council?

The Town Council will appoint a named officer or representative to deal with and review any future correspondence or contact from the customer. When reviewing any future correspondence, the officer should consider whether this relates to an existing issue or whether it is a new concern.

Where a customer continues to contact us about an existing issue to which this policy has been applied but provides no further new evidence to support their complaint, no further action will be taken on the issue. A letter will be sent to the complainant advising of this and then no further correspondence will be entered into.

If a customer raises a new complaint or provides further new evidence to support their existing complaint, the Town Clerk or their nominated representative will make a decision as to how this will be dealt with and whether any existing restrictions (as per this policy) are still appropriate;

If a customer's behaviour becomes abusive or threatening, we may take the decision to inform the police.

Customers should not seek to circumvent this policy by asking someone else who is connected to them, such as a family member, someone of close association, advocate, or simply to submit the same or identical complaints on their behalf. Should we consider that someone is acting in place of or with a declared unreasonably persistent complainant, the customer who has submitted the duplicate complaint will be treated in the same manner.

Should a customer seek to circumvent this policy by contacting their local MP or Town Councillor whilst we will engage with the MP or Town Councillor, we will ask

that they assist us in maintaining the customer's status, subject to their own investigations into the matter.

Further, should a customer to whom the Policy has been applied, continue to email, write in or telephone, officers and Members have the right to not reply or respond to this communication without this being considered as a breach of the Code of Conduct for Members.

#### 9. How does the Town Council review the decision?

Where restrictions (in line with this policy) have been applied to a customer, they will normally be in place for **twelve months** but will be subject to a review at **six months** by the Town Clerk or their nominated representative, reporting to the next available Policy and Finance Committee meeting The customer will be advised of the review and outcome in writing.

At the end of the designated period of restrictions (normally **twelve months**), the Town Clerk or their nominated representative will review the case, reporting to the Policy and Finance Committee.

Where the review finds no grounds for continuing restrictions these should be lifted and relationships restored to normal.

Where it is recommended that restrictions are to continue beyond **twelve months**, the report should be evidence based and with good grounds for the extension. The report will be submitted to the next available meeting of the Town Council to approve and reappoint representatives to act for the Town Council in this case.

The Town Clerk (or their nominated representative) will write to the customer to advise them of the outcome of the review by the Policy and Finance Committee. Where any restrictions are to continue, the customer will be notified of this alongside an explanation of why and when the next review is scheduled to take place (normally six months).

#### 10. Confidentiality, legal requirements and non-compliance

 All personal data provided to the Town Council will be processed in accordance with UK GDPR and the Data Protection Act 2018;

#### For FOI/EIR related cases (sections 12-18)

The following sections cover FOI cases where it is deemed that a request is Vexatious under Section 14(1) of the Freedom of Information Act (FOIA) or Manifestly Unreasonable under regulation 12(4) b of the Environmental Information Regulations (EIRs).

Section 14(1) of the FOIA: The Town Council does not have to deal with requests that are vexatious under this section. This applies only to the request and not the requestor so there should be a careful assessment before a request is classified as vexatious. The Information Commissioner's Office (ICO) may be able to provide guidance and has set out indicators that may identify vexatious requests:

- · Abusive or aggressive language is used;
- The requests are placing an undue burden on the Town Council;
- The requests form part of a personal grudge;
- · The requests are unreasonably persistent;
- The requestor is intransigent;
- The requests are frequent and/or overlapping on the same issue;
- The requests are designed to cause annoyance;
- The requests require a disproportionate effort to fulfil;
- The requestor is using the information request route to pursue other complaints or grievances against the Town Council.

The application of s.14 (1) should be considered where it is believed that the request is disproportionate or unjustified.

#### 11. What actions can be taken to stop or limit the behaviour?

Where it becomes apparent that the nature of a request or string of requests is potentially making a request vexatious or manifestly unreasonable, consideration should be given to warning the requestor that if they are to submit any further requests on the same issue, it is likely that these requests will be deemed as vexatious under FOI or manifestly unreasonable under EIR. There should be an

attempt to work with the requester whilst taking account of the facts of the matter and any relevant history.

#### 12. What happens if a customer continues to contact the Town Council?

If a further request is received on the same or similar subject matter under FOI/EIR then a decision will be taken by the Town Clerk in conjunction with the responsible officer that the request is vexatious/manifestly unreasonable and the requestor will be informed of the decision, along with the reasons for the decision being taken. Only the request itself can be considered vexatious and not the individual who submitted it. Therefore, any further requests from the same requestor should be treated and assessed independently.

Where necessary, further advice should be sought from CALC or the Monitoring Officer, Cornwall Council.

Where the time (or cost) of dealing with the request is the main issue, consideration will be given to applying Section 12 of the FOIA or Regulation 12(4) (d) under the EIR where the time/cost of dealing with a request is unreasonable and consideration given to asking the requestor to narrow down or reduce the scope of the request to bring it within an appropriate time frame (18 hours under the FOIA).

Where appropriate, consideration should be given as to whether the wider Unreasonable Customer Behaviour Policy should also be invoked in addition to making a request vexatious/manifestly unreasonable.

The requestor will then be added to the Town Council's register of customers who have been made vexatious as defined by this Policy, also ensuring relevant officers/Members are made aware.

Customers should not seek to circumvent this policy by asking someone else who is connected to them, such as a family member, someone of close association, MP, Local Member or advocate, or simply to submit the same or identical complaints on their behalf. Should we consider that someone is acting in place of or with a declared unreasonably persistent complainant, the customer who has submitted the duplicate complaint will be treated in the same manner.

#### 13. What can a customer do to challenge the Town Council's decision?

If a requestor is unhappy with the decision to make their request vexatious/manifestly unreasonable, they have the right to ask the Town Council to carry out an Internal Review. The case will then be considered by an independent senior officer who will review the case and notify the requestor of the decision. If following the Internal Review, the requestor is still unhappy, they have the right to contact the Information Commissioner's Office (ICO) who will then decide on the evidence supplied, whether to investigate the case.

#### 14. How does the Town Council review the decision?

Where a request has been made vexatious or manifestly unreasonable, no further requests to similar matters raised will be considered within a 12-month timeframe. Any new request will be reviewed within this timeframe and a decision will be taken as to whether this is a new request (and dealt with as a fresh request) or falls within the subject matter made vexatious/manifestly unreasonable.

#### 15. Dealing with requests that are manifestly unfounded or excessive

A request for personal information made as a Subject Access Request (SAR) under UK GDPR can be refused if it is considered manifestly unfounded or excessive.

The ICO guidance says that a request may be manifestly unfounded if:

- the individual clearly has no intention to exercise their right of access. For
  example an individual makes a request, but then offers to withdraw it in return
  for some form of benefit from the organisation; or
- the request is malicious in intent and is being used to harass an organisation with no real purposes other than to cause disruption.

#### For example:

- the individual has explicitly stated, in the request itself or in other communications, that they intend to cause disruption;
- the request makes unsubstantiated accusations against you or specific employees;

- the individual is targeting a particular employee against whom they have some personal grudge; or
- the individual systematically sends different requests to you as part of a campaign, e.g. once a week, with the intention of causing disruption.

NOTE: You must consider a request in the context in which it is made, and you are responsible for demonstrating that it is manifestly unfounded.

In addition, you should not presume that a request is manifestly unfounded because the individual has previously submitted requests which have been manifestly unfounded or excessive or if it includes aggressive or abusive language.

The inclusion of the word "manifestly" means there must be an obvious or clear quality to it being unfounded. You should consider the specific situation and whether the individual genuinely wants to exercise their rights. If this is the case, it is unlikely that the request will be manifestly unfounded.

#### 16. What does excessive mean?

A request may be excessive if:

- it repeats the substance of previous requests and a reasonable interval has not elapsed; or
- it overlaps with other requests.

However, it depends on the particular circumstances. It will not necessarily be excessive just because the individual:

- requested a large amount of information, even if you might find the request burdensome. Instead you should consider asking them for more information to help you locate what they want to receive, please see 'Can we clarify the request?'
- wanted to receive a further copy of information they have requested previously. In this situation a controller can charge a reasonable fee for the administrative costs of providing this information again and it is unlikely that this would be an excessive request;

- made an overlapping request relating to a completely separate set of information: or
- previously submitted requests which have been manifestly unfounded or excessive.

When deciding whether a reasonable interval has elapsed you should consider:

- the nature of the data this could include whether it is particularly sensitive;
- the purposes of the processing these could include whether the processing is likely to cause detriment (harm) to the requester if disclosed; and
- how often the data is altered if information is unlikely to have changed between requests, you may decide you do not need to respond to the same request twice. However, if you have deleted information since the last request you should inform the individual of this.

#### 17. Refusal to comply with a request

Where the Town Council is refusing to comply with a request, you must inform the individual without undue delay and within one month of receipt of the request of:

- · the reasons you are not taking action;
- their right to make a complaint to the ICO or another supervisory authority;
   and
- · their ability to seek to enforce this right through a judicial remedy.

You should also provide this information if you request a reasonable fee or need additional information to identify the individual

#### 18. Record Keeping

The Town Clerk will keep adequate records of the details of the case and action taken. The register will also include cases where an initial warning letter has been sent.

Records will be kept of:

76

DRAFT 03/2025

- The name and address of each member of the public who has been identified as unreasonably persistent, vexatious or abusive and any other person who aids the complainant;
- · When the restrictions came into force and end
- What the restrictions are
- When the person was advised and copies of correspondence
- Copies of all correspondence with appointed external representatives
- Dates of and copies of all reports to Town Council Committees.

Adequate records should also be kept to show:

- When a decision is taken not to apply the policy when an officer has asked for this to be done, or
- When a decision is taken to make an exception to the policy once it has been applied, or
- When a decision taken not to put a further complaint from this customer through the complaints procedure for any reason, and
- When a decision is taken not to respond to further correspondence, make sure any further letters or emails from the customer are checked to pick up any significant new information.

#### Context:

Saltash Town Council provides IT equipment to both staff and Town Councillors to enable them to carry out their duties effectively in Town Council buildings and when working from home or in the community.

This policy is in two parts – the provision of IT equipment and the individual's responsibilities when using IT.

#### Scope:

This policy sets out the correct, appropriate and expected use and care of Saltash Town Council computing and networking facilities, to ensure safe and reliable operation.

This extends to all IT facilities including software, hardware, staff computers, Town Councillors devices, telephones (mobile and internal) provided and maintained by Saltash Town Council.

#### 1. Provision of IT Equipment

Virus detection is installed and managed centrally by the IT Consultant. Individuals must not remove or disable anti-virus software or attempt to remove virus infected files. These should be immediately referred to the IT Consultant via the helpdesk.

#### 1.1. Employees

All employees are issued with appropriate IT equipment on commencement of employment with the Town Council. This may include a laptop, mobile phone, use of a computer in a council building, memory devices (e.g. USB) according to the requirements of the role.

Employees that work remotely must download the Duo Mobile Appenable a two-factor authentication application (Duo Mobile) on their Town Council / personal mobile to access a secure connection when working remotely. Any associated cost is covered by the employer not the employee.

Saltash Town Council has adopted the use of a Mobile Device Management (MDM) System to streamline the usage of Town Council issued mobile devices to protect the data of the user and the Town Council. Employees issued with a work phone should ensure it is always switched on during working hours.

Upon termination of contract all Town Council owned property must be returned. The Line Manager will ensure all authorised access is promptly removed.

The device will be procured by the Town Council and will be preloaded with software which will be licensed and managed by the Town Council IT Consultant. The specification of the device will ensure that it remains fit for purpose for the four-year term of the Town Council.

The Town Council will provide all Town Councillors with a unique email address, user ID and password with access to selected areas of the IT system.

On cessation of service as a Town Councillor the tablet/laptop/device must immediately be returned to the Town Council and all access rights will be rescinded.

#### 8. Town and Parish Councils

#### Lanteglos-by-Fowey – Second homes Council Tax premium

- Question raised by Cllr Rob Rooney: "I would like to raise a matter which
  was discussed at Lanteglos-by-Fowey Parish Council last night which had
  been brought to our notice by another council in Cornwall. It concerns the
  second home council tax premium and the way it is distributed. It seems
  areas with few or no second homes do not benefit, which seems unfair.
  Also, it is proposed that any second home premium gathered in should be
  ring-fenced for the purpose of alleviating the housing crisis in Cornwall.
- The Deputy Leader of the Council, Cllr Harris had replied to Redruth Town
  Council clarifying that the suggestion "Cornwall Council considers a much
  fairer way of proportioning the proceeds figures for the new second home
  council tax premiums" was not within their powers and that "Cornwall
  Council cannot redistribute the precepts from local councils with high
  numbers of second homes to local councils with lower numbers. It would
  be unlawful to do so". ACTION (CT): Cllr Harris' reply to be circulated to
  the CAP.

# TO RECEIVE A REPORT FROM SALTASH CHAMBER OF COMMERCE AND CONSIDER ANY ACTIONS AND ASSOCIATED EXPENDITURE.

# Saltash and District Chamber of Commerce and Industry

#### CHAIRMAN PETER RYLAND

#### **CHAMBER REPORT**

The next Chamber meeting is not until next Monday so there is no report of the meeting itself but the Chairman has been active during the month including involvement in a meeting re. the Christmas Lights switch on with the Mayor and Deputy who were also involved when he attended a meeting with Corserve re. the transfer of some Cornwall car parks thereto including Belle Vue Road West.

At both of these meetings Hilary Frank was in attendance and thanks to her efforts, as a Chamber member, we ran the Magic Tenner promotion in Saltash. This was part of a national campaign to promote Shop Local and ran for the first two weeks of March. Hilary managed to persuade 27 shopkeepers to take part and offers included cakes and tea for 2 at the Bookshelf, jacket potato, cake and hot drink at Trackside Café, 2 pairs of earrings from Sapphira Jewellers and handcrafted goodies from Lovingly Local. This has proved very popular and the Chamber is now giving thought as to how to do similar promotions throughout the year to encourage customers to local traders. We are also looking at other possibilities of supporting/promoting local businesses.

Peter Ryland CHAIRMAN

# To receive an update on the future of the health care in Saltash and consider any actions and associated expenditure.

### Health Action Group - Progress Report to Saltash Town Council

Very brief update this time. I was personally unable to attend the meeting held on March 19. I am summarising below the key points from the draft notes of the meeting:

- The meeting was mainly focussed on the development of the Care Closer to Home strategy of Plymouth Hospitals. More out-patient services and clinics will be provided, but not yet in Saltash. The initial base is likely to be Liskeard Hospital.
- There is no NHS capital to support a rebuild of Saltash Health Centre in the foreseeable future.
- The Action Group needs to work further on options for the extended use of the St Barnabas site.
- Provision of blood testing in the town to supplement what the two Practices provide has not yet been settled. ICB still working on a solution.
- Other topics still pending: dentistry, proceeds of sale of Peninsula House

Securing extended use of the St Barnabas site for local patients is our most urgent task, in my opinion.

I am sure Councillors who were present at the meeting will add their own comments and clarifications.

# TO RECEIVE A REPORT FROM SALTASH TOWN TEAM AND CONSIDER ANY ACTIONS AND ASSOCIATED EXPENDITURE.

#### REPORT FROM TOWN TEAM RE. THE FIRST STREET MARKET ON 15/3/2025

There was no doubt the market had favourable weather and so the shoppers came out. From both the stallholders and the public the response was very favourable but, more importantly for what we were trying to achieve, the responses from the existing shopkeepers was also very positive with comments such as:-

- 1. "Look at the number of people in the street fantastic."
- 2. "If I had known it was going to be so busy I would have got extra staff in."
- 3. "Sorry, we haven't got any food left."
- 4. "Certainly more people looking in the window and coming in the shop."

We hope to build a statistical analysis of footfall/trade at some stage during the market trial over the next 5 months but at this stage, visually, there were more people in Fore Street and this seemed to be spread throughout the town centre, helped by the Craft/Arts Fair in Saltash Studio, which will also run on the next market day, 19<sup>th</sup> April.

There is not due to be another Town Team meeting until after the May elections and the nomination of representatives from STC and CC thereafter but, in the meantime, we are aware of a coupled of points raised re. the first market which will be considered in the meantime.

1. Whether there should be signage to show that the Belle Vue car parks were open. There were several comments to the effect that the 'Road Closed Ahead' signs deterred people from parking therein.

Chairman Town Team P Ryland end of report.

# To receive a request from the Saltash & District Branch of the Royal British Legion and consider any actions and associated expenditure.

The Town Council have received a request from Saltash Royal British Legion (RBL) for the Civic Party to attend a church service and wreath laying ceremony at St Nicholas and St Faith Church in remembrance of VE Day 80.

The event is taking place on Thursday 8 May at 10.15am.

The Civic Party will form at the Guildhall for 10.05am and walk to the church.

The Mayor's pew and mace holders will be used by the Civic Party. After the service the Mayor will be invited to lay a wreath on the 'Lest We Forget' War Memorial Benches.

RBL have also requested the Town Council further support the church service by printing the Order of Service - 60 copies of a four-page Order of Service in black and white.

#### Invitation received from Saltash RBL

I would be delighted if the Mayor could make this a civic event, including mace bearers.

Please can you approach the council to ask for free printing of the order of service

Kind regards

Bill Dent President Saltash RBL

End of report.
