

My ref: Infra22-178
Date: 27th February 2024

Dear Sir/Madam

Cornwall Gateway Community Network Panel (CNP)

Cormac Solutions Ltd, on behalf of Cornwall Council, are inviting comment on proposals for infrastructure improvements within the Cornwall Gateway Community Network Area.

Details of the proposals are as follows:

Albert Road, Saltash – extension of the No waiting at any time restrictions on Albert Road. Vehicles often straddle the footway, which obstructs access for pedestrians and for vehicle movements when this type of parking occurs. Refer to Site Notice Infra22-178_SN01 for details.

Vicarage Road, Torpoint - introduction of No waiting at any time restrictions to prevent parking on the junction between Vicarage Road and St James Road and in the proximity of the access to Torcare Nursing Centre. This proposal aims to address lack of visibility for vehicles approaching the bend and for those egressing from Torcare car park. Refer to Site Notice Infra22-178_SN02 for details.

Fourlanesend School – introduction of an advisory 20mph speed limit outside of Fourlanesend School and a 40mph buffer zone on the B3247 approach to the school from Millbrook. This proposal aims to reduce vehicle speeds to address concerns raised around pedestrian safety, in particular for children walking to/from the school. Refer to Site Notice Infra22-178_SN03 for details.

Wilcove – The village is currently subject to a national speed limit. This proposal introduces a 20mph speed limit which is deemed appropriate and in line with Cornwall

Council criteria due to the level of development and narrow nature of the roads through the village. This proposal also includes an extension to the existing 30mph speed limit from the A374, along Pengelly Hill, to the village boundary. Refer to Site Notice Infra22-178_SN04 for details.

This scheme also includes the formalisation of existing Disabled Parking Bays at the following locations, to ensure these are legally enforceable:

Arthur Terrace, Torpoint. Refer to Site Notice Infra22-178_SN05 for details.

Tavy Road, Saltash. Refer to Site Notice Infra22-178_SN06 for details.

Beatrice Avenue, St Stephens, Saltash. Refer to Site Notice Infra22-178_SN07 for details.

Sconner Road, Torpoint. Refer to Site Notice Infra22-178_SN08 for details.

Clinton Terrace, Millbrook. Refer to Site Notice Infra22-178_SN10 for details.

Peacock Avenue, Torpoint – removal of an existing Disabled Parking Bay outside No 3 as it has been reported that it is no longer required. Refer to Site Notice Infra22-178_SN09 for details.

If you have any comments to make on the proposals, I would be grateful to receive them no later than:

22nd March 2024

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation Finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting www.cornwall.gov.uk/TrafficConsult. Once registered you will be able to submit responses to this and other current traffic consultations.
2. E-mail Infrastructure Design at traffic@cormacltd.co.uk, quoting the scheme name and reference, and indicating your support or objection (with reasons) to the proposals.
3. Respond in writing using the attached Consultation Response Form, indicating your support or objection to the proposals. Please return the form to the address shown at the foot of it.

If you wish to discuss any aspect of this scheme, please do not hesitate to contact me.

Privacy Information

CORMAC Solutions Ltd collects personal information from you when you register a consultation response. We will use this information to assist in collating feedback and to respond to you if we require clarification or further information on the response you have provided. The secure management of your information is very important to us and work has been undertaken to ensure that the Company is GDPR compliant.

Please note that any personal information collected from you as part of the consultation process will be securely destroyed within 12 weeks of completion of the scheme. However, you have the right to request that your information is removed at an earlier point, by using the contact details provided in this letter.

If you choose not to provide your address with your response or withdraw your personal information before completion of the scheme, we regret that we may be unable to consider your response in regard to a particular aspect of it. Nonetheless, any points made will still be considered as general comments.

You can find out more information about how your information is used, how we maintain the security of your data and your rights in regard to the information we hold about you on our website: <https://www.corservltd.co.uk/privacy-and-cookie-policy/>

If you have any other queries regarding the use of your data, you can contact the Data Protection Officer at CORSERV Ltd, Western Group Centre, Radnor Road, Scorrier, Redruth, Cornwall TR16 5EH or phone 01872 323 313.
