## PAT Testing Course

Following a discussion re training and sharing responsibilities we have looked at training for another person to help cover the PAT testing so it's not just left to one person.

Below is the cost to train a SDGA and attached is the syllabus.

Available date – 30th April (1 space)

Duration – 2 days

Cost - £215 + £60 + VAT = £330

Candidates will need to have a copy of Code of Practice for In-service Inspection and Testing of Electrical Equipment - 5th Edition (ISBN-13: 978-1785619663) and should study.

This is available from electrical wholesalers or bookshops. £50.00
