I am looking to make an application for road names for the above site and would first like to get your views, suggestions and comments.

The below are the themes we are considering – Do you have any preference?

Woodlands, trees or plants related to woodlands
Cornish country house names
Names of people from local first world war memorial

I attach site plan which indicates the area to which our development relates. Please let me know if you need any further information.

Many thanks,

Joe Wilson
