Saltash Town Council – Climate Change Strategy

At the meeting of the Full Council on 4<sup>th</sup> February 2021 it was resolved that:

1. STC acknowledge that there is a climate and Ecological Emergency

which is having damaging effects both locally and globally.

2. STC commit to consider climate and ecological implications

wherever relevant.

3. STC try to the best of their abilities to lead by example.

The Strategic Priorities state that the Town Council will continue to acknowledge a

climate emergency and bring forward a local climate change strategy.

This document outlines the climate change strategy of the Town Council moving

forward and the possible actions.

The following table summarises research by Ashden into the relative climate change

benefits of a number of actions in the Friends of the Earth Climate Action Plan for

councils. The outcomes may include reductions in greenhouse gases and also other

benefits including health to the community.

Note: not all actions are easily measurable.

1

Action	Climate change	Other benefits	Affordability	STC Strategic Plan
Through procurement,	***			Climate emergency
ensure the local				
authority supply chain is				
minimising carbon				
emissions.				
Introduce measures to	**	Health		Climate emergency
encourage cycling and				Health and wellbeing
walking.				Travel and transport
Upgrade the insulation	**	Economy, resilience		Climate emergency
and heating systems of				
council buildings, taking				
advantage of grants				
and/or interest free				
finance available.				
Encourage car sharing	**			Climate emergency
and the use of				Travel and transport
alternative forms of				
transport				
Require the integration	**			Climate emergency
of renewable energy				
such as solar thermal,				
PV or heat pumps in				

local authority owned			
buildings where			
permitted.			
Engage with schools to	*	Health	Climate emergency
ensure meals are			Health and wellbeing
delivered in			
accordance with the			
official Eatwell Guide on			
healthy eating and the			
majority of options on			
menus are healthy and			
plant- based, with less			
and better meat.			
Deliver a rapid	*		Climate emergency
transition of the			Travel and transport
council's own fleet to			
electric.			
Increase tree cover on		Environment	Climate emergency
council owned land.			Health and wellbeing
Support small and		Business	Climate emergency
medium business			
enterprises to access			
funds and expertise for			

reducing carbon		
pollution.		
Encourage and enable		Climate emergency
energy saving		
behaviour by all council		
staff.		
Ensure council's		Climate emergency
procurement strategy		
specified that low		
carbon lights and		
appliances are		
procured.		
Cut council's paper		Climate emergency
wasted by offering		
papers electronically.		
Improve air quality in		Climate emergency
council offices and		Health and wellbeing
buildings by use of		
green plants.
