

## Saltash Radio Grant Application Update

### Overview

Saltash Radio were awarded £500 at the Policy and Finance Committee held on 11<sup>th</sup> July 2023. The report received at Policy and Finance Committee on 12<sup>th</sup> March 2024 stated the combined funding received from the Town Council and Cornwall Council was spent on microphones for the presenters, internet connection equipment and marketing material.

### Items purchased

- Netgear AirCard785S 4G LTE portable mobile wifi router - £59.99
- Fifine USB microphone x 2 £25.99 each - £51.98
- Marketing materials – amount unknown

### Update

In May 2024 the lead applicant confirmed that the radio station is no longer active or in operation. The equipment is not being used and is in storage.

In the Town Council Grants Policy it states that

- Saltash Town Council reserves the right to reclaim the grant in the event of it not being used for the purpose specified on the application form.
- Where equipment has been purchased using grant funding and is going to be disposed of the Town Council should be given the opportunity to have the items returned to them so that they may be offered to other eligible organisations.

It is not possible to distinguish between the Town Council funding and the Cornwall Council funding and marketing material will be personalised to the Saltash Radio Station brand so it is not suitable for redistribution.

### Recommendations

Members are asking to consider the following options:

- To explore whether the equipment can be redistributed in the community, subject to agreement from the Cornwall Councillors who provided funding.
- Note the report and not ask for the items to be returned to the Town Council on this occasion.

End of Report
