

Boosting Jobs and Economic Prosperity;

- Continue to manage the repair and maintenance programs for Town Council properties, assessing the need for further investments and improvements as necessary or when required.
- Support the promotion of Saltash as a vibrant and welcoming visitor destination by reviewing public amenities and identifying opportunities for investment and enhancement.

Travel and Transport;

- Review Town Council owned properties to assess the potential for offering cycling facilities, such as bike storage and secure locks.

Climate Emergency;

- Review Town Council owned properties to evaluate utility usage, with the objective of making them as close to net zero as feasibly possible.
- To oversee the repair and maintenance programs for all Town Council premises, working towards improved energy efficiencies.
