St Barnabas Charity for Community Healthcare

Formerly known as St Barnabas Hospital League of Friends

Registered as a Charity under the Charities Act in 1974 Reg. No. 266967

The organisation shall be known as **St Barnabas Charity for Community Healthcare**, hereinafter referred to as the 'Charity'.

OBJECT

The Object of the Charity is to support the wellbeing of patients and their carers in the Saltash area, while also serving as a champion for community healthcare locally.

POWERS

To further its Object, the Charity shall have the following Powers:-

Patient Support

To enhance the wellbeing of individual patients and carers by supplementing the services provided by the NHS and local care providers, prioritising their comfort, welfare and specific needs.

Fundraising

To raise funds and seek contributions from individuals, groups, or organisations through donations, grants, or gifts of property, ensuring all financial activities align with the Charity's Object.

Development of Healthcare Initiatives

To promote, encourage and facilitate the provision of community healthcare services and amenities, with a focus on preventive and environmentally sustainable care.

Community Engagement and Advocacy

To hold meetings, events, exhibitions and discussions aimed at informing and engaging the local community, and to advocate for the improvement of healthcare services in the area.

Collaboration and Partnerships

To establish and maintain cooperation and communication with other charitable organisations, local authorities, NHS bodies, and community groups, fostering collaborative efforts in addressing healthcare challenges, and promoting a holistic approach to health and wellbeing.
