

Meet your Councillors: The next scheduled meeting date Saturday 7 December at Saltash Christmas Festival

At the Full Town Council meeting held on 11th January 2024 Members considered attendance at Saltash town events in 2024 on the proposed dates provided within the circulated report.

It was proposed by Councillor Griffiths, seconded by Councillor Gillies and **RESOLVED** to approve a Town Council stall at May Fair, Regatta 13th July only and Saltash Christmas Festival, subject to a rota being in place prior to the events, at no cost to the Town Council and combined with Meet Your Councillor sessions on Fore Street.

Saltash Christmas Festival 2024

Members were contacted in November to ask for volunteers to man the stall and several follow up emails have been sent. Several members have expressed that the Christmas Festival is not the right event for the Town Council stall and that the committee organising the event have a waiting list of businesses wishing to have a stall. The Town Council may wish to reconsider its decision.

The current rota below requires a minimum of two Members in line with the Town Council Risk Assessment, however, the period is long (1pm to 6.30pm) and may not be required.

Members are asked to consider if it would be more beneficial to have a stall for the same number of hours as the monthly Saturday session (2 hours) or cancel this year's Town Council stall.
