CO-OP Foundation	We believe co-operation is at the heart of strong communities and this makes us a different kind of funder. We work closely with communities, we listen and we learn. We unlock communities' power by focusing on those who have most at stake. We asked young people to shape our vision, and now we're co-operating with them and others to turn this into reality. JJ Charitable Trust	The Trust works with organisations to tackle deep rooted systems of education, economics and culture (values, beliefs and narratives) to help catalyse a fundamental paradigm shift towards a truly sustainable future. It supports social and community experimentation around regenerative and circular economies, and works with the Aurora Trust and Mark Leonard Trust on the Climate Change Collaboration.	For literacy work, the Trust has a small grants scheme which allows direct applications.	For 'catalysing change' work, the Trust does not accept applications.
