Dear Sir / Madam,

Gilston Road, Saltash – Prohibition of Right-hand Turn

Cormac, on behalf of Cornwall Council, is inviting comments on a proposal to implement a right-hand turn prohibition, into Callington Road from Gilston Road.

The introduction of these measures is expected to improve road safety in the area and reduce traffic congestion caused by long waiting times for vehicles completing right-turn manoeuvres from Gilston Road. Making a right turn onto the main road is challenging, often leading to traffic queuing behind and causing delays for both left and right-turning vehicles. By banning right turns traffic flow from the junction could be significantly improved.

Following the implementation of the prohibition, drivers wishing to make right turns will instead be required to use Pillmere Roundabout 150 meters south of Gilston Road. Users heading in the direction of Liskeard will be encouraged to use Burraton Road. Additionally, extra double yellow lines are proposed on Burraton Road prevent obstructive parking and facilitate better traffic-flow.

These measures are initially being implemented as a trial in the form of an Experimental Traffic Regulation Order (ETRO). The ETRO will be brought into force on the **28/01/2025** and stay in force for a period of **18 months**, whilst its effects are monitored and assessed. Following which, Cornwall Council will make a decision on whether to make these measures permanent.

It is not possible to submit a formal response to the consultation until the ETRO comes into force. However, it is suggested that responses are made after the restrictions have

been in place for a period of time to allow a considered response to be made. Any responses must arrive no later than the **28/07/2025**.

To respond to this consultation, you can either:

1. Use Cornwall Council's Consultation finder, an on-line facility for viewing and responding to traffic consultations. This can be accessed by visiting www.cornwall.gov.uk/TrafficConsult. Once registered you will be able to submit responses to this and other current traffic consultations.
2. E-mail Infrastructure Design at traffic@cormacltd.co.uk, quoting the scheme name and reference, and indicating your support or objection to the proposals.
3. Respond in writing using the attached Consultation Response Form, indicating your support or objection to the proposals. Please return the form to the address shown at the foot of it.

If you wish to discuss any aspect of this scheme, please do not hesitate to contact me.

Yours sincerely

Muhammad Nihad AbdulRahiman

Privacy Information

Cormac collects personal information from you when you register a consultation response. We will use this information to assist in collating feedback and to respond to you if we require clarification or further information on the response you have provided. The secure management of your information is very important to us and work has been undertaken to ensure that the Company is GDPR compliant.

Please note that any personal information collected from you as part of the consultation process will be securely destroyed within 12 weeks of completion of the scheme. However, you have the right to request that your information is removed at an earlier point, by using the contact details provided in this letter.

If you choose not to provide your address with your response or withdraw your personal information before completion of the scheme, we regret that we may be unable to consider your response in regard to a particular aspect of it. Nonetheless, any points made will still be considered as general comments.

You can find out more information about how your information is used, how we maintain the security of your data and your rights in regard to the information we hold about you on our website: <https://www.corservltd.co.uk/privacy-and-cookie-policy/>

If you have any other queries regarding the use of your data, you can contact the Data Protection Officer at Corserv Solutions Ltd, Western Group Centre, Radnor Road, Scorrier, Redruth TR16 5EH or phone 01872 323 313.
