351/24/25 TO RECEIVE CORNWALL COUNCIL'S PROPOSED GILSTON ROAD WORKS CONSULTATION AND CONSIDER ANY ACTIONS.

Members discussed the Gilston Road consultation and the recently implemented no-right turn.

Members felt it was too early to comment on the consultation and preferred to wait and see how heavier traffic might affect congestion during busier times such as spring / summer holidays.

It was proposed by Councillor Peggs, seconded by Councillor P Samuels and **RESOLVED** to defer to Full Council to be held on 5 June 2025.
