

## **SALTASH TOWN COUNCIL VOLUNTARY TREE WARDENS' REPORT**

### **PA25/07036 – Read of 28 The Brook, Saltash PL12 6UL**

*Application for tree works within a Conservation Area: Group of Ash stems, reduction to trees currently stand at about 10 meters, we want to cut 4 meters leaving 6 meters.* All three volunteer Wardens reviewed these applications, in each case from the roadside.

All three volunteer Wardens reviewed these applications, in each case from the roadside.

COMMENT: This seemed to us extreme at first; but it is part of the long-term management of the ash trees, it has been done before, and the trees appear healthy so they are not likely to be damaged.
