

## **Saltash Scrapstore**

Our mission is to minimise the amount of 'stuff' that goes to landfill and put it to good use - upwards of £400,000 worth so far! Each year we try to donate to local causes that align with our values and benefit the local community. This year we gave grants for the Lantern Festival, Brunel Builders Shed, St Stephens Forest School and The Core and donated goods to the Women's Refuge, The Community Shed, Ukraine, the Linus Project and local schools and clubs. We couldn't do what we do without our wonderful volunteers - so if you can spare a few hours per week you would be very warmly welcomed!
