	 <p data-bbox="794 840 1300 878">Two Dumpy Bags of Waste Removed.</p>

Tamar Bridge Ramp Triangle – 28th May 2026

Before	After
 	 

Slipway Fence – 29th May 2026

Before	After
 A photograph showing a wooden fence made of three horizontal rails and vertical posts. The grass in the area behind the fence is overgrown and uneven. A yellow plastic bin is partially visible in the foreground on the left.	 A photograph showing the same wooden fence. The grass behind it has been mowed and is now short and uniform. The yellow bin is now fully visible on the right side of the fence. In the background, a road with cars and utility poles is visible under a clear blue sky.

Pillmere Paths – 29th May 2026

Before	After
 A photograph of a paved pathway leading uphill. The grass on either side of the path is tall and overgrown. In the background, a two-story house with a stone wall and trees is visible under a blue sky.	 A photograph of the same pathway. The grass has been mowed and is now short. The house and trees in the background are the same as in the 'Before' image.
 A photograph of a paved pathway leading uphill, similar to the one above. The grass is overgrown. A utility pole is visible on the right side of the path.	 A photograph of the same pathway. The grass is mowed. The utility pole is still visible on the right side of the path.
