 The 'Before' images show a street scene with overgrown green bushes and trees in front of a building. A concrete curb runs along the road, and several orange and white traffic cones are placed along it. The top image is a close-up of the vegetation, and the bottom image shows the curb and road.	 The 'After' images show the same street scene after the vegetation has been pruned. The bushes are now neatly trimmed. The top image is a close-up of the pruned vegetation, and the bottom image shows the curb and road with a traffic cone.
