Saltash Town Council Grant Reporting Form

Name of Organisation Friends of Tincombe	
Amount Award **£428.88**	**Festival Fund**

How has the award contributed to the success of your project/club/organisation? Please include photographs where possible.

The 2026 Tincombe Tea Party was the sixth annual event organised by Friends of Tincombe. Originally planned for Saturday 29th August, the event had to be postponed because of the forecast of strong winds and was successfully held on Monday 31st August.

The change of date meant that we had to rearrange a number of our stallholders and entertainers, with some unable to attend on the new date. Despite these challenges, we were able to put together a full and enjoyable afternoon of music, refreshments, stalls and community activities, and we were very pleased with how the event went.

We are particularly grateful to Saltash Town Council for its £428.88 grant. The funding directly helped us pay for **entertainment and the new Teardrop Banners, which provided a strong visual presence for the event and helped create the welcoming atmosphere on the day. The Council's financial support genuinely helped make the event what it was and enabled us to continue providing the Tea Party as a free community event.**

We would like to thank all the volunteers, performers, stallholders and everyone who attended for helping make the day such a success. The Tea Party brought people together to enjoy Tincombe Park, while also raising awareness of the work Friends of Tincombe carries out to support the park, its wildlife and the wider community.

How has the grant from Saltash Town Council been promoted?

Please provide examples where possible such as screenshots of social media posts or banners.

We have promoted Saltash Town Council on flyers, the grants banner, social media and a thank you on the day.

We are also very verbal about how much we appreciate the funding and support from Saltash Town Council.
