

# Photography and Filming at Saltash Library Hub\*

\*This document should be read alongside the STC Safeguarding Policy and applies to all staff, volunteers and other adults associated with Saltash Library Hub.

Saltash Library Hub (as part of Saltash Town Council) works with children and families as part of its activities in the community.

The purpose of this document is to:

- Protect children and young people who take part in Saltash Library Hub's services;
- Set out the principles that guide our approach to photographs/videos being taken of children and young people during our events and activities;
- To ensure that we operate in line with our values and within the law when creating, using and sharing images of children and young people.

**We have a responsibility to promote the welfare of all children and young people and to take, share and use images of children safely.**

**We recognise that:**

- Sharing photographs and films of our activities can help us celebrate the successes and achievements of our children and young people, provide a record of our activities and raise awareness of our organisation;
- The welfare of the children and young people taking part in our activities is paramount;
- Children, their parents and carers have a right to decide whether their images are taken and how these may be used;
- Consent to take images of children is only meaningful when children, their parents and carers understand how the images will be used and stored, and are fully aware of the potential risks associated with the use and distribution of these images;
- There are potential risks associated with sharing images of children online.

**We will seek to keep children and young people safe by:**

- Always asking for written consent from a child and their parents or carers before taking and using a child's image;
- Always explaining what images will be used for, how they will be stored and what potential risks are associated with sharing images of children;
- Only using the first names of children if we need to identify them;
- Never publishing personal information about individual children and disguising any identifying information (for example the name of their school or a school uniform with a logo);

- Making sure children, their parents and carers understand how images of children will be securely stored and for how long (including how we will control access to the images and their associated information);
- Reducing the risk of images being copied and used inappropriately by only using images of children in appropriate clothing, including safety wear if necessary;
- Using images that positively reflect young people's involvement in the activity.

We will also develop a procedure for reporting the abuse or misuse of images as part of our safeguarding procedures. We will ensure everyone involved in our organisation knows the procedures to follow to keep children safe.

### **Photography and/or filming for Saltash Library Hub's use**

Children, young people, parents and carers must be made aware that photography and filming is taking place and give written consent.

If we hire a photographer for one of our events, we will seek to keep children and young people safe by:

- Providing the photographer with a clear brief about appropriate content and behaviour;
- Ensuring the photographer wears identification at all times;
- Informing children, their parents and carers that a photographer will be at the event and ensuring they give written consent to images which feature their children being taken and shared;
- Not allowing the photographer to have unsupervised access to the children;
- Not allowing the photographer to carry out sessions outside the event or at a child's home;
- Reporting concerns regarding inappropriate or intrusive photography following our safeguarding procedures.

### **Photography and/or filming for wider use**

If people such as local journalists, professional photographers (not hired by Saltash Town Council) or students wish to record one of our events and share the images professionally or in the wider world, they should seek written permission from the Community Hub Team Leader in advance.

They should provide:

- The name and address of the person using the camera;
- The names of the children they wish to take images of (where possible);
- The reason for taking the images/what the images will be used for;

- A signed declaration that the information provided is valid and that the images will only be used for the reasons given.

The Community Hub Team Leader will verify these details and decide whether to grant permission for photographs/films to be taken. We will seek consent from the children who are the intended subjects and their parents and inform the photographer of anyone who does not give their consent.

At the event there will be a prominent notice informing children, parents and carers that an external photographer is present and ensure they are easily identifiable, for example by issuing them with a coloured identification badge.

If Saltash Library Hub is concerned that someone unknown to us is using their sessions for photography or filming purposes, we will ask them to leave and (depending on the nature of the concerns) follow our safeguarding procedures.

### **Storing images**

We will store images of children securely, in accordance with our safeguarding policy and data protection law.
