

11th February 2022

Dear Mayor,

Firstly, may I apologise for the time it has taken for me to write this letter.

We were very kindly given money to help start a Homeless Response project in the town. This has taken far longer than expected, however with ongoing discussions happening I am pleased that this money will be used to set up a phone line in which residents of Saltash can report concerns of people who are sleeping rough, or struggling in some way. This means that there will be a central contact point for all of the town and we can respond in an appropriate and swift way.

Many thanks for this money once again
