

Climate Change Working Group – Meeting 17 February 2022

Community Engagement & Communication –

Further to the meeting of STC when it was agreed we could request an editable version of the Rame Green Guide to assist with our own plans for community engagement and communication, the Acting Town Clerk made a formal request to Rame Parish Council, who responded with two requests

- To acknowledge and publish the contribution of Rame Parish council in the development of our Guide
- Make a £125.00 donation to Rame Parish Council for the use of their Green Guide

Following discussion by the group it was decided that the amount of work required to adjust the Rame Green Guide to make it Saltash relevant would be considerable, and we therefore agreed to respectfully decline the Rame Parish Council's offer.

Instead, we have decided to use the time and resource to work towards our own bespoke projects.

The team have agreed to work on the following areas over the next few weeks –

Trees & Wildlife (AW)

Energy (DY)

Transport (SG)

Food

Sarah Martin will work on the copy writing, layout and social media.

Workshops & Events

Re-Fashion event provisionally booked for 29 April 2022,

Cllr Julia Peggs to liaise with Cllr Bickford around the logistics and use of Isambard House.

Volunteers are requested for models please let Cllr Peggs know if you are interested in helping out.

Final arrangements will be confirmed during our next meeting.

Enquiries are being made to arrange a cycle maintenance and repair workshop.

Community Tree Planting

Adrian confirmed that all the preliminary enquiries, checks and surveys have been completed and the first areas for planting have been agreed with Cornwall Council & Forest for Cornwall.

The sites identified are in the following locations –

- Brooking Way
- Warraton Close
- Yellow Tor Road / Gallaghers Way
- Spencer Gardens
- Broad Walk - Hedging

All trees will be suitable for urban planting and the right tree for the right location, for example where trees are planted near houses these will not grow too tall or overhang

Thank you to Cllr Bickford for your input at the meeting.

Next meeting 23 March 2022.
