To whom it may concern,

My name is Derek Holley of _____ I have been a resident of the town for 47 years I have served on Saltash Town Council, Caradon District Council and Cornwall Council ; I was Mayor of the town from 2008 to 2009. In work I was a teacher of science and I have a B.A with the Open University and an honorary B.A. degree from Worcester University.

I have been asked to give a reference for the Tamar Protection Society who are seeking a grant from Saltash Town Council.

I have known this society, which is a registered charity, since its inception. It has a very successful record of maintaining a watching brief over the heritage of the countryside and villages of the River Tamar and an exceptional record of preserving and enhancing two properties in Saltash, Elliott's Shop and Mary Newmans Cottage.

The society is well managed and has an active and competent board of trustees. The society is seeking grant funding to replace old and now condemned outdoor cafe furniture at Mary Newmans Cottage : this furniture is important in that the small profit from cafe sales enables ongoing funding for maintenance and repairs to the cottage.

I fully support this application and I commend it to the Council as being worthy for grant funding.
Kind regards
Derek Holley
