APPLICATION FOR SCRAPSTORE GRANT - IDEA

There is an opportunity to apply for a grant from Scrapstore Saltash. They have to pass any profits they make back into community projects with a re-cycling theme.

With this in mind I propose to be a little more ambitious as we already do re-cycling workshops with traditional papers, cards and boards.

To mark the criteria we propose having 'music' Saturday morning craft workshops on Saturday 10th September with Plymouth re-cycle drum outfit 'Weapons of Sound'.

Two of the drummers will do a morning series of workshops making musical drums out of re-cycled containers, pipes and anything else to create drums and rhythmic instruments.

These will be played with the Weapons of Sound drummers to inspire music from a range of waste products and materials, educate re-cycling in a creative and fun environment (People are closing off to direct messaging).

This also fits into the Library Hub September (Autumn) Environment month.
