Subject: PA22/07351 - Land Opposite 363 New Road Saltash PL12 6HL

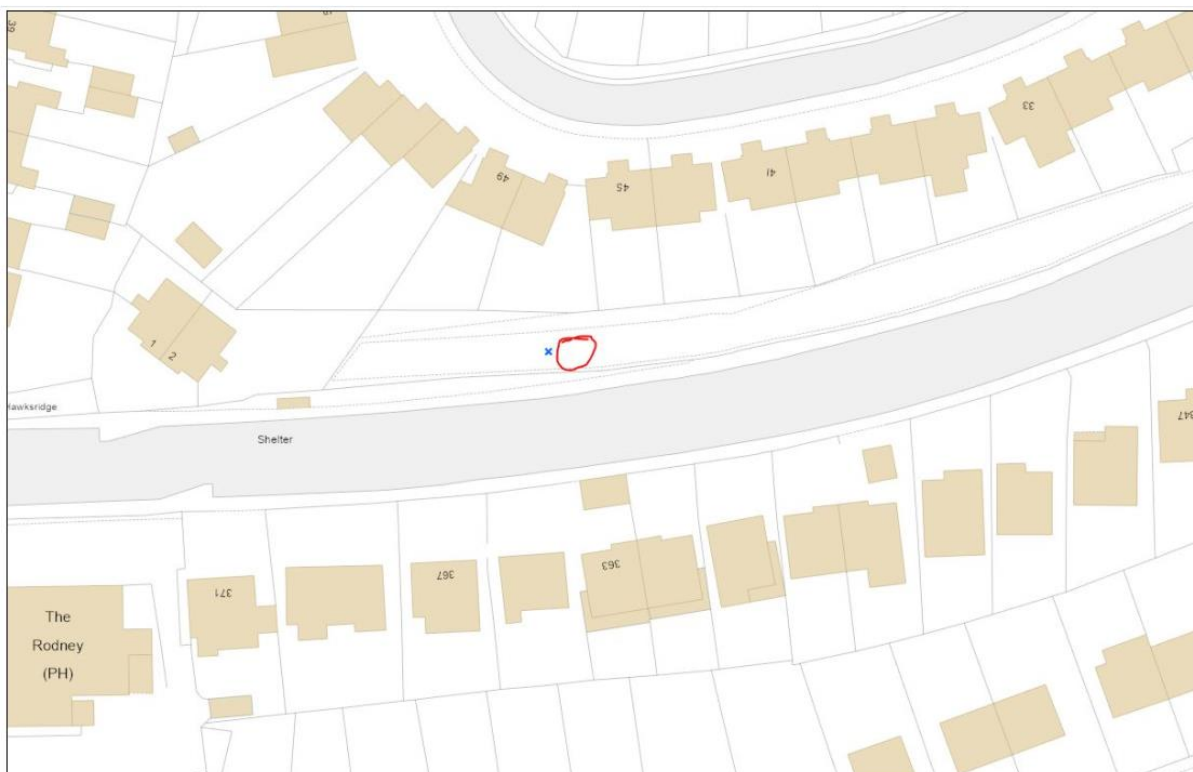

Good afternoon

The tree is T15 in the TPO, however in the 'Street Tree Work Schedules' and subsequent plans it is referred to as T1 (as stated on the application form). The location of this tree is opposite to 363 New Road, for ease of reference I've attached a screenshot where I've circled the location of the tree in red.

Hope this helps.

Kind regards

Subject: PA22/07351 - Land Opposite 363 New Road Saltash PL12 6HL

Good afternoon

I am emailing with regard to the above application.

The Consultee Letter to Saltash Town Council states that the address is Land Opposite 363 New Road Saltash PL12 6HL. However, on Cornwall Council's Planning Portal I note that the address is stated as Land North of 343 to 369 New Road, Saltash PL12 6HL.

Please would you kindly let me know the correct location?

Thank you for your time in this matter.

Kind regards
