VOLUNTARY TREE WARDENS REPORT

PA22/07212 – 1-15 Babis Farm Close, St Stephens, PL12 4TG.

(TPOs) we have no objection to this work in Babis Farm. It consists of some removal of ivy and pruning for clearance around houses and over parking areas. Also, one large branch will be removed from the ash tree T12, but again we have no objection as the branch currently makes the tree lopsided and unbalanced - and this ash tree is currently healthy so well worth looking after.
