## Request a Tree Preservation Order (TPO)

The Council is able to make new Tree Preservation Orders at any time that it perceives that important trees are under threat. The Council has discretion to determine when trees are important and when it would be expedient to protect them. In general, the appropriate test for making a Tree Preservation Order is that the loss or damage to the tree(s) would cause significant harm to public amenity.

<b>What is your interest in the land?</b>	The land is owned and administered by Cornwall Council.
<b>Reason for requesting a TPO</b>	The sapling was planted on Thursday 31 <sup>st</sup> March 2022, by The Mayor and Mayoress of Saltash as part of the celebrations to mark the Queen's Platinum Jubilee. A plaque has been placed in front of the sapling which is protected by a netted cage. The sapling is highly valued as one of only a few given out every year from the 1000 year old Cornish Darley Oak, situated on the edge of Bodmin Moor. This is the only mature Darley Oak in the country and is the subject of a TPO. Once matured, this sapling will be a valuable addition to the number of young Darley Oaks throughout the region. Saltash Town Council wishes to ensure that the sapling and plaque can be preserved as part of the history of Saltash. It is hoped that as the tree grows it will provide immense pleasure and be a source of pride to both residents and visitors to the historic town of Saltash.

## Threats:

<b>Describe what are perceived to be the threats to the tree(s)</b>	The sapling could be threatened by vandalism or accidental damage.  Any future rejuvenation of the area could put the tree at risk should it not be considered a significant addition to any new development proposals such as housing or tourist facilities.

## Additional Comments:

<b>Provide additional information here</b>	The Queen's Platinum Jubilee is a unique national event, as no other Monarch has reached this milestone. The project entitled the Queen's Green Canopy is a national initiative to plant woodland areas and individual trees across the nation. All trees will be marked with the plaque as is the tree in Saltash. In years to come it will encourage conversation about the Platinum Jubilee and will be a piece of Saltash's history. The tree has been registered on the Green Canopy interactive map so anyone who wishes to view it can do so. In addition the tree was gifted to the Town Council as part of Cornwall Council's Landmark Tree Initiative.
