Public Loudspeaker System

Background

The Town Council has installed a 12 speaker, weather resistant, outdoor sound system in Fore Street.

The system is provided to enhance and support community events, allowing announcements and entertainment to be heard throughout the street.

Restrictions

Use of the system is regulated by the Control of Pollution Act 1974 c.40 Pt III s.62.

The loudspeakers may not be operated for any purpose between the hours of 9.00pm and 8.00am.¹

Advertising of any entertainment, trade or business is not permitted at any time².

Hire

The system comprises an amplifier, mixer, wireless microphone system and media player and is available to hire on application in writing to the Guildhall. Acceptable licensed activities are listed in the STC Premises Licence which is available on the STC website [Saltash Town Council Premises Licence](#).

Hire is free of charge.

Applications will be reviewed by the Town Clerk, concerns raised from Applications will be raised with the Chairman of the Council and or Chairman of the Services Committee.

The decision of the Town Council is final.

Conditions of Hire

Planning:

Users of the loudspeaker system should be aware when planning their event that there is residential accommodation in close proximity to Fore Street. Not everyone will enjoy musical entertainment and there may be a negative impact, which may lead to complaints. The event organizer is responsible for appropriate and effective noise management and control.

The Town Council will publish notice of events via social media and notice boards. The hirer should provide adequate notice of events in any promotional material.

¹ Control of Pollution Act 1974 c.40 Pt III s.62 (1)(a) This restriction will not apply where the loudspeakers are used for or police, fire and rescue authority or ambulance purposes or for purposes relating to the functions of Ministry of Defence fire-fighters (as defined in section 16 of the Armed Forces Act 2016)], by the Environment Agency, the Natural Resources Body for Wales, a water undertaker or a sewerage undertaker in the exercise of any of its functions, or by a local authority within its area

² Control of Pollution Act 1974 c.40 Pt III s.62 (1)(b)

Use of the equipment:

All electrical equipment being attached to the equipment should have a current PAT testing certificate and a copy (copies) should be provided with the application.

The decibel level has been capped at 85 decibels and users should not attempt to adjust this level or any other settings on the equipment.

During the event:

During the event the decibel levels will be monitored and users may be asked to reduce volume levels. If you are asked to reduce volume levels you should comply immediately.

Amplified music should not be played continuously for more than an hour. There should be a break of a minimum of 15 minutes.

The Town Council reserves the right to terminate an event where conditions are not complied with and/or numerous complaints are received.

After the event

The results of noise monitoring and any complaints are to be reported to the Town Clerk. Where future applications are received, consideration will be given to compliance with conditions, the number of complaints received and the applicants ability and co-operation in controlling noise levels from the event.

Complaints

Anyone wishing to make a complaint about an event should follow the Town Council [Code of Practice for Handling Complaints](#).
