

Neighbourhood Plan Report to Annual Parish Meeting 2023

The Referendum for the Saltash Neighbourhood Plan was held on 17 March 2022.

The question was:

Do you want Cornwall Council to use the Neighbourhood Plan for Saltash to help it decide planning applications in the neighbourhood area?

The result was as follows:

YES	2343 (92.4 %)
NO	187 (7.3%)

Turnout 19.9%

More than half of those voting were declared as voting in favour of the plan.

The Saltash Neighbourhood Plan has been adopted, is now in force and has been used as evidence when considering a number of recent planning applications.

This is a very significant document for Saltash, that was only possible because of the efforts of a considerable number of local people, too many to list, to whom I would like to express my thanks.
