

### Who are we:-

JY Skatepark cic is a youth Hub where young people can use the facility to hang out and feel part of something within there community, we try to make it feel like it's their home from home and to take ownership of the space.

we have professional youth workers on hand to support young people with their needs and deliver on lots of different single issues such as anti-bullying awareness, mental health, sexual advice, social media and the effects it can bring, keeping a healthy body and mind.

We thrive to engage fully with all our young people, building strong relationships and gaining there trust whilst in a safe environment, we encourage working as a team at JY and everyone is to be included and treated equally, we also aim to push those friendships that may not happen in different social scenes such as School or maybe other competitive and structural sports clubs, even though JY focuses on extreme sports as its tool to engage with young people it is forefront all about young people having a safe space to hang out and chill with there peers and finding themselves as they develop into young adults.

Outreach we deliver over the year work:-

. JY has continues to deliver out reach at Saltmill Skatepark, We have given a proposal to GW South and Cornwall council to take on the Lease or have a partnership for Saltmill Skatepark as we feel we would be able to turn the space around and look for funding to make changes to the space, we have listened and spoken to a lot of young people over the last few years and feel have a good indication of what they want to see down at Saltmill Skatepark, we have started to process surveys regarding Saltmill and we are awaiting for a quote to action works down at Saltmill Skatepark to better the area which we will keep Saltash Town council informed once this works takes place, Also a survey with the community to hear there views on the area and what they'd like to see happen down there, once we have these put together we will also be communicating with the Town council.

We also will be continuing to support young people in and around the town (Mainly Saltmill) to give them information on what groups and activities are available to them within Saltash, this will be flyer based etc.. pushing and promoting young people to attend Local youth club/centres keeping them safe and engaged with positive facilities throughout the winter months.

We will also again work with the town council, Police, Schools within Saltash to support with the needs when it comes to Anti Social behaviours within the town.

### JY highlight's from the year:-

-JY got involved with Mayfair this year which was a really fun day, we were on hand to give short starter coaching on Skateboarding, we had a tattoo stand and tech deck table and arts n crafts which was very popular with the young people, we spoke to members of the community about changes down at Saltmill Skatepark and it was all received very positively, We were in the youth corner alongside Livewire and the Core, Fun day had by all.

-JY did pizza nights with our new pizza oven which was funding by The Saltash Rotary Club, the young people loved this, they got to make the pizza's, choose there own toppings (which some were very creative) this was fun and very yummy.

-JY did a graffiti Project in the year also, we took ideas and designs from the young people and brought the Skatepark to life with a under water theme, which was create by the talented Cormack.

-JY received funding to create a larger seating space for our young people, which is a really cool and chilled area to hang out, we have put table and chairs in there, a Tv to watch extreme sports videos and gaming on, we also have heaters in there because the Skatepark can get very cold, the young peoples favourite part is the wall of Fame, where we've put loads of picture up of the young people from when we first start JY project to now, and memories of trip's and activities we've been up to over the years there was a lot of giggles with some of the pictures .

### special shout outs for the year :-

JY/Saltash's very own Lola Tambling has been accepted in to Skateboard GB Team, so fingers crossed on her journey on this and getting into the Olympics, an amazing achievement and we are all very proud of her here at JY.

Our Youthworker Lewis who's been with us for 3 yrs and before that was a youth member of JY from 11 yrs old has just been accepted into the police, he's worked really hard over these last few years juggling JY and volunteering in the police and courses etc.. but he's made it and even though we have to say goodbye to Lewis at JY we are very proud of him and wish him every luck in his new career.
