## How it works

The cycle to work scheme allows employees to obtain commuter bikes and cycling accessories through their employer, whilst spreading the cost over 12 months and making unbeatable savings through a tax break.

1

The employer registers with Cyclescheme - this only takes about 5 mins. Once registered they will be able to access free of charge promotional resources to help them publicise their exciting new employee benefit.

## Why offer Cyclescheme?

Cyclescheme is the UK's most popular cycle to work benefit, creating more cyclists than any other provider.

### Simple to set up, easy to manage

**Unrivalled choice and flexibility**

**Low effort, high impact**

**Unmatchable value**

**Recognised and recommended**

## What can it do for you?

Cyclescheme enables your employees to save 25-39% of the cost of a new bike & accessories whilst also spreading the cost. It's completely free to join and easy to administer online.

Did you know employers save too! Not only will you recover the full cost of the bike - you'll also generate a NICs saving up to 13.80% of its value.

# LOVE TO RIDE

Love To Ride are **exclusively** partnered with Cyclescheme meaning that we are the only Cycle to Work provider that can offer your workforce a full **behaviour change experience**.

"Changing habits and behaviour is a notoriously difficult nut to crack. The workplace cycle challenge targets the right people and genuinely encourages behavioural change in a fun and accessible way." -

**John Nicklin, Senior Pollution Officer, Lewes District Council**

Exclusive offer - 25% off any British Cycling membership package for employees

**More ways to save your employees money - at no cost to your business.**

Cyclescheme is powered by BHN Extras, the free employee benefits platform.

Extras is the simple way to build a benefits package that supports the mental, physical and financial wellbeing of every employee. Best of all – there's no sign-up cost, per employee seat fee or minimum contract.

Sign your business up to Cyclescheme and receive access to Extras for free. Alongside Cycle to Work, take your pick from a range of flexible benefits all designed to save your employees money on everyday costs.

"Southampton University has operated a cycle to work scheme since 2010. Initially we used a different provider (Halfords) but switched to Cyclescheme in 2011 as it offered a much wider range of bikes."
