Subject: RE: SR - 220425-000274 - Request to Discuss Putting Plaque on Bridge of Historical Importance - Bridge - Wearde Quay Road, Saltash

OFFICIAL

Good Morning Lynn,

Some good news, we are happy for you to erect and maintain the plaque, either colour will be fine.

We would prefer the plaque to be fastened to the disused gates, however, if not, it can be fastened directly into the stonework, avoiding mortar joints, to the side of the gateway.

Once completed if you could send in photographs that would be great.

If you have any further concerns, please let me know.

Kind Regards

Chris
