

## **Saltash Town Council Voluntary Tree Wardens Report**

### **PA23/08399 – Coombe Barn Babis Lane St Stephens Saltash PL12 4ET**

We agree that the upper branches of this ash do threaten the telegraph pole and have no objection to pollarding the tree to the same location as the last pollarding, and also to removing the large lower branch that leans directly towards the telegraph pole.

Adrian White  
STC Voluntary Tree Warden
